We love recreating this unique event and gathering together all of the philanthropic and fun-loving ladies in our community to support an organization that has been improving and saving the lives of thousands upon thousands of pets in St. Clair County since 1959.”

Kim Vrooman, Belleville Area Humane Society Executive Director adds, “The shelter couldn’t do it without this support, and while the ladies have a blast, every single ticket holder knows we are doing this for the animals and their people. And that is something noble to behold.”
