April 13 2022 1:05 PM

JERSEYVILLE - City Center Park in Downtown Jerseyville will host the 1st of 4 planned events for the community on May 6, 2022.

This concept, developed by Explore Jerseyville Tourism, brings together a public-private partnership. Each event happening over the remainder of 2022 will bring together different Jerseyville businesses to cover aspects of the evening, showcasing what they provide.

City Center Park will come alive with representation from 3 local businesses, making this the perfect way to bring small business week to a close. The May “Rock the Block” will feature food and beverages from Redbird Deli, Brossio Tavern, and Bare Bones BBQ, a local member of the St. Louis BBQ Society. A variety of foods will be available for the Series goes along with beverages for a fee.

Our entertainment, Exit 52 will take the stage with their unique sound and wonderful beat bringing all in attendance to their feet. Classic sounds from the past are given life once again with EXIT 52.

"Make a Journey to Jerseyville and experience just a taste of what our community can offer for you and the family. It is so nice to have so many partners working on this event to make it a success!"

Explore Jerseyville Tourism has been working with JEDC to secure a Jersey County Tourism Grant for this venture that will coincide with support from the City of Jerseyville. Visitors are encouraged to plan a Journey to Jerseyville in 2022.
