ST. LOUIS - Schnuck Markets, Inc. is proud to announce it has been selected as a 2022 US Best Managed Company. Sponsored by Deloitte Private and The Wall Street Journal, the program recognizes outstanding U.S. private companies and the achievements of their management teams.

The 2022 designees are U.S. private companies that have demonstrated excellence in strategic planning and execution, a commitment to their people and fostering a dynamic, resilient culture, as well as strong financials. This year's designees continued to propel their businesses forward by prioritizing purpose, investing in their workforces, and demonstrating their commitment to diversity, equity and inclusion.

“We’re honored to be recognized as a US Best Managed Company,” said Todd Schnuck, Schnucks Chairman and CEO. “We accomplish our mission to Nourish People’s Lives through a shared strategic vision in our organization as well as through meaningful philanthropy in our communities. I commend our leadership team for its commitment to our customers and teammates, ensuring we consistently execute on what matters most in our stores.”

Applicants are evaluated and selected by a panel of external judges focused on assessing hallmarks of excellence in four key areas: strategy, ability to execute, corporate culture and governance/financial performance.
