Prior registration is required to maintain social distancing. For questions about the Stop The Bleed program or to register for a class at the Edwardsville Public Safety Building, call 618-692-7540.

During this month and on this day...

- The nationwide campaign will highlight the importance of Stop The Bleed training and provide the public with information and education through local fire, EMS, and health care professionals.
- FREE Bleeding Control Basics classes will be offered to the public, furthering the goal of the American College of Surgeons to train everyone in the U.S. about what to do during a bleeding emergency.
- Many of the thousands of registered instructors will participate in this grassroots effort by leading hundreds of courses across the United States, with additional course offerings in other countries.
