EDWARDSVILLE - Aarion Jackson broke the school record for the long jump, distance runner Ryan Watts won two events, going one-two with Geo Patrylak in the 1,600 meters and the 4x200 relay team of Kellen Brnfre, Kyle Schmidt, Jackson and Jordan

Bush won their race in a season's best time as Edwardsville won the boys Southwestern Conference track meet Wednesday afternoon at the Winston Brown Track Center at Edwardsville High.

The Tigers won the title with 188 points, with East St. Louis a distant second with 134 points, O'Fallon came in third with 85 points, Collinsville was fourth with 59 points, Belleville West was a very close fifth with 58 points, Alton came in sixth at 37 points and Belleville East was seventh with 32 points.

Edwardsville won both the varsity and JV meets, which made for a great day for the program and head coach Chad Lakatos couldn't have been any happier.

"Fantastic," Lakatos said. "We won the varsity division, we won the JV division. Conditions weren't that great; it's all of a sudden turned from spring to summer, but it was a total team effort today."

The weather conditions were very warm throughout, with the temperatures in the lower 90s and wall-to-wall sunshine, which made things somewhat difficult for the athletes, but the Tigers adjusted to the conditions well, and had some great performances also.

"We went one-two in the 1,600 and Ryan won the 800; he had a tough double," Lakatos said. "Geo had a tough double as well, anchoring the 4x800 and coming second in the 1,600. It was a great effort by our distance runners today."

In addition, Ryan Luitjohan and Jacob Grandone went one-two in the 3,200 meters, while Jackson had his record-breaking performance in the long jump and Jordan Brooks won the triple jump, along with the 4x200 meter team's win, topping off with Iose Epenesa winning the discus throw and placing second in the shot put, making it a very successful day for the Tigers.
