About Saint Louis Story Stitchers Artists Collective:

Saint Louis Story Stitchers Artists Collective is a non-profit organization engaged in urban storytelling. The mission of Saint Louis Story Stitchers is to document St. Louis through art and word to promote understanding, civic pride, intergenerational relationships and literacy.

Collective artists work alongside 16-24-year-old urban youth to collect stories, reframe and retell them using the arts to promote a better educated, more peaceful and caring society. Saint Louis Story Stitchers are a resident organization at Kranzberg Arts Foundation where members rehearse, present and perform in the Foundation's first-class spaces. The Collective also maintains the Stitchers Storefront Studio in the historic Loop District for recording, editing and publishing. Current projects focus on public health issues including gun violence. Learn more at storystitchers.org/
