

Lanes Reopening Where Possible for July Fourth Travel

July 2 2022 7:50 AM

Non-emergency closures suspended; motorists should still expect work zones

SPRINGFIELD – The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the Independence Day holiday to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Friday, July 1, to 11:59 p.m. Monday, July 4.

The following lane closures will remain in place during the holiday weekend. Motorists can expect delays and should allow extra time for trips through these areas. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and stay alert for workers and equipment. At all times, please buckle and drive sober.

- Illinois 148 over Crab Orchard Lake; lane reductions continue, with traffic controlled by temporary signals.

Over the next six years, IDOT is planning to improve more than 3,500 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
