ALTON - Scarlett Eades and Lauren Massey are sophomores on the Alton High girls' tennis team. The girls teamed for terrific performances to win the Riverbend Open by defeating teammates Finley Haynes and Ellie Enos in the 15 and Under Doubles Finals.

Both girls are multi-sport athletes at Alton High. Redbird tennis coach Jesse Macias said: "Both girls came out as freshmen and had not really played tennis at all. They were just two athletic girls looking for something to do in the fall. I could see that they had some potential but we had a really big team last year. They both have great attitudes and work ethics and they just kept getting better as the season went on.

"Scarlett and Lauren split time between JV and varsity and wherever we put them, they just kept winning. It was a lot of fun to watch."

Macias added: “If you are athletic you have a really high ceiling in tennis if you put in the time. These girls have good chemistry, love being part of the team, and push themselves and others in practice.

“I see them both as team leaders even though they are just sophomores. Every coach loves having multi-sport athletes on the team because they understand what it takes to get better while being a good teammate.”
