LEBANON - Stephanie Bubert has organized a special GoFundMe fundraiser for Dustin Brown, a 26-year-old Lebanon man, who died in a tragic fatal motorcycle accident on Illinois Route 100 in Elsah Saturday night. Bubert is organizing this fundraiser on behalf of Beau W. Brown.

"Beau and Bobbie Jo had the unthinkable happen," Stephanie Bubert said. "They lost their fun-loving, amazing son Dustin to a fatal motorcycle accident. Dustin was someone who would drop anything and help someone in need. Now, Beau and Bobbie Jo have to lay their sweet son to rest.

"Funeral expenses are costly and I am sure Beau and Bobbie Jo will be taking some time off work to grieve their son. Please consider donating to Dustin's funeral expenses so that Beau and Bobbie Jo do not have to stress and worry about that while grieving."
