

MCT Announces August 2022 Service Adjustments

August 1 2022 2:20 PM

PONTOON BEACH - In an effort to enhance bus service for passengers and to improve efficiencies throughout the system, Madison County Transit (MCT) will be implementing minor adjustments at the regularly scheduled August service change, which takes effect on August 14, 2022. The August service change includes time and routing adjustments to the #1 Riverbend and #15 East Collinsville Shuttle, shifting the routes of the #2 Granite City Shuttle and #4 Madison-Edwardsville, and adjusting evening times on the #5 Tri-City Regional.

“MCT is always looking for ways to meet the transportation needs of our residents and do so in an efficient manner,” said MCT Managing Director SJ Morrison. “These are minor adjustments to the service, but they make a difference to the passengers. MCT ridership has steadily increased across all bus routes in the last year, and we continue to seek feedback from the passengers and from the public on how to make the service as user friendly as possible.”

A summary of the changes, by route, is listed below. For detailed schedule information visit www.mct.org, call 618-797-INFO (4636) or e-mail info@mct.org.

- #5 Tri-City Regional: Adjust weekday and Saturday evening times.
