Awesome in AMH MCU

Tracy Van Dyke, right, of Alton Memorial Hospital's Medical Care Unit, is congratulated by Debbie Turpin, vice president of Patient Care Services, for the Awesome Award she received from the niece of a patient who had misplaced her walker in the Duncan Wing lobby. Tracy kept the walker in her possession until the owner was found, stayed with her

until the patient's husband arrived, then helped the patient into her car.

Awesome in AMH SCU

Sharon Mertz, right, of the Surgical Care Unit at Alton Memorial Hospital, is congratulated by Debbie Turpin, vice president of Patient Care Services, after Sharon received an Awesome card from a patient for her excellent care while the patient was undergoing knee replacement therapy.

Everyone at Alton Memorial Hospital provides excellent care, but sometimes someone goes beyond excellent. Adjectives like **Amazing** and **Awesome** come to mind. If you know of an employee, physician or volunteer who deserves recognition, please let AMH know by completing an **Awesome** form. Forms are available in the hospital waiting areas and nurses stations. A member of the leadership team will present your honoree with an **Awesome** badge sticker. Completed forms may be dropped off at the information desk or sent to the Development Office. For more information, contact Marlene Lewis at 618-463-7701.
