

Sen. Kris Tharp to bring I-Cash to Granite City, Roxana

September 6 2022 9:50 AM

MARYVILLE – In partnership with the Illinois Treasurer’s office, State Senator Kris Tharp is bringing the popular I-Cash services to Metro East residents in Granite City and Roxana.

“Unclaimed property is commonly intangible and thus more difficult for families to know what is owed to them,” said Tharp (D-Bethalto). “I encourage any Illinois resident to visit an I-Cash event to check if they have any unclaimed property.”

The Treasurer’s office has more than \$3.5 billion in unclaimed funds for Illinois residents. To offer families an opportunity to search the database and file a claim, the first event will be held from 1 to 4 p.m. on Tuesday, Sept. 13 on the second floor of Royal Banks of Granite City, located at 3600 Nameoki Rd. Elevators will be available.

The second event will be held from 2 to 4 p.m. on Thursday, Sept. 22 at the Roxana Public Library, 200 N. Central Ave.

“It’s worth the few minutes it takes to stop by an event like this,” said Tharp. “You might be pleasantly surprised with the outcome.”
