

Alton High's Kennedy Stephens Is One Of Alton-Godfrey September Rotary Students Of The Month

by Alton-Godfrey Rotary September 16 2022 11:45 AM

ALTON - Kennedy Stephens of Alton High School was honored as one of the Students of the Month for September at a regular meeting of the Rotary Club of Alton-Godfrey at

Gentelin's Restaurant. <u>Xavier Cartier of Alton High School</u> was the other Student of the Month. Stephens is the daughter of Kristine and Tony Stephens of Alton. She is a senior at Alton High School with a 4.558 GPA. She is in the top 3% of her graduating class. She has received multiple awards throughout her years at Alton High, such as High Honor Roll, National Honors Society, and Mu Alpha Theta.

She is also a part of multiple extracurricular activities, such as Minority Excellence as the secretary, Varsity Cross Country, Physics Club, Empowered To Be Me, Pathways to Womanhood, and Drafting Club.

While juggling extracurricular activities and academics, Kennedy has been a member of the AHS Varsity Soccer team. Kennedy was selected as a freshman to be a part of the team and has been a key member of the defensive line. In 2021 Kennedy was selected to the All Southwestern Conference third team and the Academic All Southwestern Conference team. In the same year, she was voted by her teammates as the Defensive MVP. In the following year, she received more All-Conference Honors by being selected to the All Southwestern Conference Academic team.

Kennedy plans to attend Howard University in Washington D.C. next fall, where she plans to major in Civil Engineering. She hopes to pave the way in the Science, Technology, Engineering, and Math career fields for young girls and more specifically, young women of color, to show them that anything is possible. Her focus as an engineer would be centered around depressed inner city areas to improve infrastructure like road designs, transportation, building structural designs, bridges, and water distribution systems that would be efficient and will positively impact the disenfranchised Americans living in these areas.

Xavier and Kennedy each received plaques recognizing their achievement from Alton-Godfrey Rotary Club President-Elect Jim Claywell.
