

Free Healthy Living on a Budget Workshop

March 6 2015 10:42 AM

Join WellSpring Resources for a fun and free workshop about healthy living on a budget. The Healthy Lifestyle Workshop will be held at WellSpring Resources' Alton office (2615 Edwards Street, Alton) on March 27 from 6 - 8 p.m.

During this workshop, Nutrition Coach Aida Moussalli will share her advice for living a healthy and affordable lifestyle. She is also knowledgeable about diets for medical conditions, such as diabetes, and food allergies.

The workshop is one of many community workshops that WellSpring Resources will present through its new Open Door Services program. Open Door Services helps customers by providing immediate access to services for individuals facing multiple barriers, and helping individuals and families navigate the human services system to address emergency needs. The program is funded in part by the Illinois Department of Human Services.

You do not have to be a WellSpring consumer to participate in this workshop, but registration is required. To register, please contact Lindsay Arnold at (618) 462-2331, ext. 2140 or larnold@wellspringresources.co.
