ST. LOUIS - The seventh annual Winterfest in Kiener Plaza, presented by Bank of America and World Wide Technology and produced by Gateway Arch Park Foundation in partnership with the St. Louis Blues, opens Saturday, Nov. 19, 2022 and runs through Jan. 1, 2023.

Winterfest features holiday fun like ice skating, holiday lights and music, festive beverages and food, heated igloos, s'mores stations, a two-day Winter Market, visits with princesses and superheroes, and a New Year's Eve celebration with a spectacular fireworks show. St. Louis celebrity chef Juwan Rice (JR), owner of JR's Gourmet, returns for his second year as the exclusive catering partner for the Winterfest Cafe'.

The second annual Winterfest 5K and 1-mile Kids Fun Run through the Arch grounds will kick off the festivities on Nov. 19. The 5K is presented by Caleres and the Kids Fun Run is supported by Famous Footwear, produced in partnership with Big River Running. Race proceeds benefit Gateway Arch Park Foundation's work of conservation, preservation, education and community programs at and around our hometown national park. Register at archpark.org/5k.

"As one of our signature events welcoming tens of thousands of people to Downtown St. Louis, Winterfest is part of our mission to bring not only our national park but its surrounding areas like Kiener Plaza to life for everyone to enjoy," said Ryan McClure, executive director of Gateway Arch Park Foundation. "We are thankful for our incredible sponsors who make this beloved St. Louis winter tradition possible. We're looking forward to seeing St. Louis turn out for seven weeks of festive fun!"

"We cannot wait to see residents and visitors alike celebrating the season at Winterfest again this year," said Marilyn Bush, president of Bank of America St. Louis. "We're proud to support this incredible event once again and look forward to holiday magic returning to Downtown St. Louis."

"World Wide Technology is proud to partner with Gateway Arch Park Foundation again this year to help bring the St. Louis community together, including our own employees," said Ann Cuiellette Marr, executive vice president for global human resources at World Wide Technology and president of the World Wide Technology Foundation. "With all the activities and amazing food options at Winterfest, there's truly something for everyone to enjoy."
