**CHICAGO** – An Illinois lottery player will end 2022 with a massive payday – \$923,796 to be exact.

Sharon, from Chicago, won the biggest Fast Play jackpot ever with Twenty 20s.

Twenty 20s is a \$20 progressive Fast Play game. The jackpot begins at \$50,000 and grows with each ticket sold statewide until the jackpot is won.

“When I saw how high the jackpot was, I decided to splurge a little and play online,” said Sharon. “When I realized that I won the big jackpot, I actually stopped breathing for a while.”

“I spent \$20 and won almost a million dollars - I can’t believe it actually happened to me - it still feels like a dream,” exclaimed Sharon.

When asked who was the first person she told and why, Sharon quickly replied “my three children - they are my everything.”

The Illinois native plans to do a little celebrating with her children in the new year, and then intends to invest the majority of the money for her children’s future. However, she may be buying a new car first.

“My first big purchase may have to be a new car - my current one is in the auto repair shop getting some work done,” chuckled the jackpot winner.
