ALTON - Thirteen actors, seven crew members, two directors, and one wonderful choreographer create a magical musical, SHE LOVES ME, set in a European Perfumerie.

With so many beautiful and humorous moments so the audience can watch more than a few twists and turns before discovering "True Love"!

This Broadway Musical inspired two movies and inspired us all to cherish the tender and stellar partnership that launched the genre of "Rom-Com" even in the early 1930s.

So yes, SHE LOVES ME is a sentimental and stylish, most beguiling story; and the performers travel from the entire region with their trained voices to fulfill their love of Broadway Musicals.

Now, everyone can see SHE LOVES ME at Alton Little Theater (ALT) - from January 20th - 29th, with eight evening performances and two Sunday matinees.
