

Granite City Rotary Club Makes Donation To Twigs

by Chris Mitchell

January 25 2023 11:45 AM

GRANITE CITY - Granite City Rotary Club made a \$4,000 donation to Twigs to assist with the construction of its new facility at 21st and Cleveland. Launched in 2011, Twigs is a summer lunch program and school-year pack-a-sack program in multiple communities in Illinois. Thank you to Lisa Gulliams and the many volunteers who continue to make an impact in Granite City.
