EDWARDSVILLE - Every year, the preeminent lawyer rating service Super Lawyers® recognizes the top 100 lawyers in each state. Walton Telken is pleased to announce that founding partner Troy Walton was named a Super Lawyers® Top 100 attorney in Illinois— and is one of only two lawyers outside of Chicago to be honored.

Over the course of his 23-year-long legal career thus far, Mr. Walton has focused exclusively on plaintiff's personal injury litigation, including trucking and motor vehicle accidents, product liability claims, class actions, medical malpractice, nursing home abuse, and neglect cases, and complex civil litigation.

"I'm honored to have been named a 2023 Super Lawyers® Top 100 attorney and to be in such great company," said Mr. Walton. "For me and my colleagues, it's always been about the people we serve. Fighting for justice on their behalf—that's why I went to law school, and I'm honored and grateful that our dedication to our clients has been recognized by our peers."
