What makes your relationship special? The love we share for one another is unbeatable. We are able to have open communication to where we genuinely understand one another. Home is where we are together. We have two incredibly amazing babies, and two fur babies. Whatever one of us lacks, the other picks up with no questions asked. We are each others highschool sweethearts, best friends, and soul mates.

Share a memory you have made together: Becoming the best of friends at 15 years old, to building a relationship, experiencing loss, giving birth to two of our babies, family vacation, our first place, and many more!
