

Thomas & Nyki's Love Story

February 9 2023 9:52 AM

Couples names: Thomas & Nyki

City: Wood River

Date met or started dating: June 21, 2019

What makes your relationship special? We met at a cardinals game our friends were brother and sister and they chose us as their plus 1s. We both were in a toxic relationship and had a spark the very first time just seeing eachother.

Share a memory you have made together: A good memory we have is at that cardinals game I (Thomas) liked her so much I was wiggling my but and dancing in my seat and trying to get her to dance too.
