What makes your relationship special? We actually like each other. We know that sounds funny but we are each others favorite person to be with. We always have each others backs. We help each other. We are truly in love.

Share a memory you have made together: We lived in Orlando, FL at the time. We were newly married, had very little money but needed a car. We bought a Nissan pickup. That night we put 500 miles on it. We drove to the beach and hung out talking and laughing. This was a huge purchase for two kids just starting out. It was a great night.
