Elizabeth "Libby" Yaw

June 21, 1953 - January 30, 2014

Friend ~ Colleague

Your gentle touch, your tender care,
A smile as bright
as sunshine,
A heart beyond
compare,
A spirit that will
glow forever
in the memories
we share.

*She was "kind of
a big deal around
here" forever*

A plaque in memory of Libby Yaw has been placed near the entrance to the Alton Memorial Hospital surgery department. Libby was the Surgical Services supervisor who died early last year. The plaque was paid for with funds also collected for a wind sculpture that was placed in the AMH Healing Garden in Libby*s memory. The poem on the plaque was used by Libby*s family at a memorial service held in the Healing Garden last summer.
