Litzenburg, spoke at the Illinois State Bar Association Allerton Conference 2023 held in Champaign, Illinois at the I-Hotel & Conference Center. This year's conference, presented by the ISBA Civil Practice and Procedure

Section Council, was titled “Technology and the Courts: Transforming the Delivery of Justice” and explored hot topic issues impacting the civil practice and procedure area.

The Allerton Conference is an invitation-only event sponsored by the Illinois State Bar Association Mutual Insurance Company. This year, Mathis, Marifian & Richter, Ltd., (MM&R) also served as a sponsor for the conference.

While attendees receive CLE credit, the Civil Practice & Procedure Section Council has always thought of the conference as a “think tank” of sorts where new ideas are examined and debated.
