May 11 2023 8:59 AM

**CHICAGO** – A life-changing amount of cash is up for grabs tonight as the Lotto jackpot has soared to a staggering \$15.2 million.

If a player wins tonight's jackpot, it would be the largest Lotto prize of the year and the fourth largest in nearly three years. In June 2020, a lucky Illinois Lottery player scooped up \$16.5 million playing Lotto.

In April, two Lotto players won \$1 million each, but the jackpot has kept growing.

In total this year, over 2.9 million winning Lotto tickets have been sold, netting players nearly \$12.4 million in prizes.

Lotto is an Illinois-only game that is played three times a week on Monday, Thursday and Saturday, and the current jackpot is at \$15.2 million for tonight's drawing, Thursday, May 11.
