ALTON — Argosy Casino Alton is expanding its dinning offerings with the opening of River Side Grille, a new casual fare restaurant specializing in comfort foods and local favorites. The restaurant was named by the Argosy Casino team members to celebrate the property's long-standing site along the banks of the Mississippi River.

“We are thrilled to be offering another great dining option for our guests,” said Randy Peterson, Vice President and General Manager of Argosy Casino Alton. “We have worked diligently to create an exciting new food outlet for both local and regional visitors to enjoy fantastic offerings created by our culinary team.”
