PONTOON BEACH - Always seeking new ways to make its bus service more accessible and efficient to better serve passengers, Madison County Transit (MCT)

implements regular service adjustments three times each year. MCT's Fall 2023 service change takes effect Sunday, August 13.

“The service we provide is evaluated by staff on a regular basis and adjustments are made based on demand and based on feedback from the people and the communities we serve,” said MCT Managing Director SJ Morrison. “In making these minor changes, we’re hoping to fine tune the routes and schedules to best meet the needs of our riders.”

A summary of the Fall 2023 service changes can be found below:
