TROY - Troy Police Chief Chris Wasser announced that at 1:30 a.m. on September 13, 2023, the department responded to a welfare check in the 600 block of Lower Marine Road and discovered a 60-year-old female inside the residence, unresponsive and not breathing.

“The victim presented obvious injuries not consistent with a natural death,” Wasser said. “Officers immediately began life-saving measures until Troy EMS arrived and all life-saving attempts failed and the victim was pronounced deceased on scene.”

Wasser continued and said: “Our investigators are following up on every detail. We anticipate the release of more information once the autopsy is complete.”
