EDWARDSVILLE – The City of Edwardsville’s 2023 oil and chip road maintenance program is scheduled to get underway the first week of October. The work is weather dependent, but expected to take place on Thursday, October 5, and Friday, October 6.

The affected streets will have temporary closures and motorists should expect delays. “No parking” signs will be placed before the work begins so residents can make arrangements for parking and travel.

The City appreciates the cooperation of everyone as the work takes place. Please be patient and proceed with caution in areas where workers are present. If you have questions, please call 618-692-7535. All or a portion of the following roads and alleys are scheduled for this year's oil and chip program:
