

WellSpring Resources awarded Three-Year CARF Accreditation

April 9 2015 3:37 PM

CARF International announced that WellSpring Resources has been accredited for a period of three years for its mental health and medication-assisted recovery programs. The latest accreditation is the fifth consecutive Three-Year Accreditation that the international accrediting body, CARF, has awarded to WellSpring Resources.

This accreditation decision represents the highest level of accreditation that can be awarded to an organization and shows the organization's commitment to CARF standards. An organization receiving a Three-Year Accreditation has put itself through a rigorous peer review process. It has demonstrated to a team of surveyors during an on-site visit its commitment to offering programs and services that are measurable, accountable, and of the highest quality.
