EDWARDSVILLE - Principal Partner and Owner Beth Gori, Managing Partner Sara Salger and Partner Jason Epps of The Gori Law Firm were recently invited to join The National Trial Lawyers – National Asbestos/Mesothelioma Top 10. This specialty organization comprises the nation's top trial lawyers from each state or region. Members of the organization demonstrate qualities of leadership, reputation, influence, stature and public profile.

“This invitation is an incredible honor,” said Salger. “Throughout the years, our goal has always been to better serve individuals and families who have been affected by asbestos exposure or a mesothelioma diagnosis. This recognition is a testament to our firm's work and offers us more opportunities to showcase that work to our clients.”

The Asbestos/Mesothelioma Top 10 is one of the 20 specialty organizations by The National Trial Lawyers. These organizations cover almost every area of the legal profession, including class action, medical malpractice, workers' compensation and product liability. As a legal resource, The National Trial Lawyers is dedicated to providing tools for those looking for legal counsel and for attorneys.

As a nationwide asbestos litigation firm, The Gori Law Firm has proudly served clients in Edwardsville, New Orleans, New York, Washington, D.C. and Orlando since it was formed in 2008.
