EDWARDSVILLE – Edwardsville High School Principal Dr. Steve Stuart is pleased to announce that 102 students from the EHS graduating class of 2024 have been designated as Illinois State Scholars.

This prestigious award is based on the combination of the students' exemplary college entrance exam scores (ACT/SAT) and their sixth-semester class rank and GPA.

The [Illinois Student Assistance Commission](#) (ISAC), the state's college access and financial aid agency, presents this important recognition of academic achievement to exceptional Illinois high school students annually. This year, nearly 16,700 honorees join the other outstanding students who have been honored since the designation was first introduced in 1958.

The award is non-monetary; each student receives a congratulatory letter and a certificate of achievement from the Illinois Student Assistance Commission, the state's college access and financial aid agency.
