CHICAGO – Illinois Lottery players have a chance to become a multi-millionaire this holiday as the Powerball jackpot jumps to \$572 million for tonight's drawing.

This is the fourth Powerball jackpot to surpass the half-a-billion-dollar mark in 2023.

No one has hit the jackpot since October 11, 2023, when a lucky ticket holder in Frazier Park, California claimed the second-biggest jackpot in lottery history - a mouth-watering \$1.765 billion.

You could be next! With over 7,000 Illinois Lottery retailers across the State, lottery players can conveniently pick up a ticket at their local store - or they can login to the Illinois Lottery website or app and purchase a ticket online.

Powerball tickets are \$2 each, and players have the option to add the Powerplay for an additional \$1 for the chance to multiply non-jackpot prizes. Powerball drawings are held every Monday, Wednesday and Saturday at 9:59 p.m. (CT).
