The firm’s partners and staff raise funds each year for Mesothelioma Applied Research Foundation at various events spearheaded by the firm, such as a local pub crawl for Meso, Paint Main Street Blue and Cycling for Meso events. The firm also raised nearly

\$85,000 in 2013 for the American Cancer Society at its Mardi Gras Ball and continues to work with countless organizations to support their cause and efforts by donating both time and money to support their continued needs.

“We feel a firm of our size should give back to the community and should support causes that matter to us, our many attorneys, our clients and those who have helped our firm in its success as one of the largest asbestos and pharmaceutical litigation firms in the Midwest,” added Gori.

While the firm is headquartered in Illinois, Gori Julian & Associates is truly a nationwide firm as it has represented victims of asbestos exposure from throughout the country.
