

Godfrey To Temporarily Close Village's Yard-Waste Drop-Off Site

January 24 2024 4:58 PM

GODFREY - Due to lack of use with the winter weather, the Village of Godfrey yard waste dumpster site on Stamper Lane will be closed after January 30th.

A press release will be shared this spring when it reopens to Godfrey residents.

Any stickers that you may have already purchased will still be valid when the site reopens.
