

# Race to Help Save Lives with the Red Cross in May

by Ann Vastmans  
April 24 2024 9:00 AM

ILLINOIS/MISSOURI - As May approaches, the American Red Cross reminds eligible donors to keep the blood supply stable by racing to give blood or platelets in the weeks to come. Donors of all blood types – especially type O blood donors and those giving platelets – are crucial to keeping shelves fully stocked with blood products throughout the month.

Right now, there's no letting off the gas when it comes to lifesaving care. With no substitute for blood and no way to manufacture it, volunteer donors are essential for hospital patients who count on transfusions every single day.

Book a time to give lifesaving blood or platelets now by visiting [RedCrossBlood.org](https://www.RedCrossBlood.org), calling 1-800-RED CROSS or by using the Red Cross Blood Donor App. Thanks to Sport Clips Haircuts, all who come to donate April 29-May 31 will get a coupon for a free haircut by email. Plus, those who come to give April 29-May 19 will be automatically entered for a chance to win a trip for two and VIP racing experience to the 2024 NASCAR Cup Series and Xfinity Races at Darlington Raceway Labor Day weekend, including entry to the Sport Clips racetrack hospitality tent and a \$1,000 gift card. Additionally, those who come to give April 29-May 19 will also get a bonus \$10 e-gift card to a merchant of choice. Visit [RedCrossBlood.org/racetogive](https://www.RedCrossBlood.org/racetogive) for more details.

## How to donate blood

Simply download the American Red Cross Blood Donor App, visit? [RedCrossBlood.org](https://www.RedCrossBlood.org), call 1-800-RED CROSS (1-800-733-2767) or enable the Blood Donor Skill on any Alexa Echo device to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age?in most states?(16 with parental consent?where allowed by state law), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood and platelet donors can save time at their next donation by using RapidPass<sup>®</sup> to complete their pre-donation reading and health history questionnaire online, on the day of their donation, before arriving at the blood drive. To get started, follow the instructions at [RedCrossBlood.org/RapidPass](https://www.RedCrossBlood.org/RapidPass) or use the Blood Donor App.

**Amplify your impact volunteer!?**

Another way to support the lifesaving mission of the Red Cross is to become a volunteer blood donor ambassador at Red Cross blood drives. Blood donor ambassadors help greet, check in and thank blood donors to ensure they have a positive donation experience.?

?

Volunteers can also serve as transportation specialists, playing a vital role in ensuring lifesaving blood products are delivered to nearby hospitals. For more information, visit [redcross.org/volunteertoday](https://www.redcross.org/volunteertoday).?
