EDWARDSVILLE - Gori Julian & Associates believes in supporting local organizations and making a difference in their community. Recently, the Edwardsville-based law firm donated \$250,000 to the Land of Lincoln Legal Assistance Foundation, an Illinois not-for-profit corporation that provides free civil legal services to low-income persons and senior citizens in 65 counties in central and southern Illinois.

The Land of Lincoln Legal Assistance Foundation handles civil cases and provides services ranging from telephone advice or brief service, to representation in court or at administrative hearings. The type of services provided depends on the legal issues, case merits and staff availability.

Randy Gori, one of the founding attorneys at Gori Julian & Associates, said "Our commitment to those in need is one of the pillars of Gori Julian & Associates so we are happy to support an organization such as Land of Lincoln Legal Assistance Foundation because their work benefits so many lives."
