It's not too late to nominate the young individual who is making an impact in your community. It might be your local entrepreneur, your volunteer fireman, or one of your public officials who is making a difference in the future of Macoupin County. The deadline is April 29, 2011.

Nominees must live and/or work in Macoupin County. They must also be at least 21 and no older than 45 before April 29, 2011. Nominees and their nominators do **not** have to be members of MEDP to participate. You may nominate more than one person. An independent panel of judges will determine the winners. The nomination form must include the following information: Nominee Name, Age, Gender, Occupation/Company, Address, Email and Daytime Phone.

Forms can be found on the homepage at www.macoupinpartners.com. The selection process will be based solely on the information provided. One recipient will receive the distinguished honor of being named Macoupin Made Young Leader of the Year.
