

Corps of Engineers Closes Recreation Areas

April 27 2011 9:15 AM

WEST ALTON, MO – Due to rising river levels, the U.S. Army Corps of Engineers, Rivers Project Office announces the closures of the follow recreation areas (see below). Once the water has receded and the areas are cleaned up, they will reopen for public use. For questions regarding the status of the recreation areas, contact the Rivers Project Office at 636-899-2600.
