The deadline for reservations to a dinner in honor of Dr. Robert and Charlene Hamilton is Friday, April 29.

The visionary behind the Rotary's great steamboat mural in downtown Alton, Dr. Robert Hamilton is well known in the region for his work on behalf of consumer driven health care and health care reform. Charlene Hamilton is also dedicated to causes that improve health such as the American Cancer Society. Lifelong music lovers, the Hamiltons are founding members of the Great Rivers Choral Society. Their list of community service is extensive.

This annual tribute by Riverbend Head Start & Family Services, a nonprofit battling local childhood poverty, places the Hamiltons on a list of esteemed leaders who have received the award for community building.
