Jerseyville Parks & Recreation Department (JPRD) hosted 114 participants for the *Cubs v Cards Battle* trip held on Wednesday, September 9. The group traveled in two luxury motor coaches to the stadium and had over two hours of free-time at Ballpark Village prior to the game. Then the group watched the St. Louis Cardinals beat the Chicago Cubs by a score of 4-3 with a very exciting 8th inning.

The department offers approximately two day trips every month, but will host one trip a week in December for the holiday season.
