**GLEN CARBON** – The 2015 Girl Scout Nut, Candy & Magazine Program begins Sept. 26 and runs through Oct. 17. Girl Scouts throughout southern Illinois will be taking orders for delicious nuts and candies, as well as magazines and we hope you will support them by making a purchase.

“The Nut, Candy & Magazine (NCM) Program is an integral part of the Girl Scout Leadership Experience where girls gain hands-on experience with five skills linked to

leadership and financial literacy,” said Kelly Jansen, GSSI Product Program Manager. “I am so excited to work with our girls and volunteers to make this year’s Girl Scout Nut, Candy & Magazine Program the most successful ever,” she added. “When you see a girl selling, please support her by ordering one of the yummy Girl Scout treats or purchase a magazine, this will help her achieve her sales goals and learn valuable business skills,” Jansen added.

The Girl Scout Nut, Candy & Magazine Program generates immeasurable results for girls and their communities. Girls who participate in the 2015 Fall Product Program benefit from “learning by earning” and develop five valuable life skills – **goal setting**, **decision making**, **money management**, **people skills** and **business ethics**. In addition, proceeds from the program help Girl Scouts of Southern Illinois (GSSI) *recruit and train adult volunteers, provide financial assistance so Girl Scouting is available to all girls, improve and maintain camp properties and develop and deliver unique leadership program activities for girls.*

*During the Nut, Candy & Magazine Program, girls will sell items such as whole cashews, deluxe pecan clusters, fruit slices and English Butter Toffee. One item, Mint Treasure, will be sold in a special limited Girl Scout tin collectible tin. Also new this year are: Honey Mustard Pretzel Mix, Dark Chocolate Caramel Caps with Sea Salt and Black Forest Trail Mix. In addition, hundreds of magazines will be available through QSP for those wishing to purchase a new subscription or renew an existing one.
