October 15 2015 6:20 AM

**GODFREY** – Lewis and Clark Community College’s Office of Sustainability, CJD e-Cycling and the RiverBend Growth Association (RBGA) are hosting a community eWaste drive from 9 a.m. to 1 p.m. Friday, Oct. 23, and Saturday, Oct. 24, in the Tolle Lane parking lot across from L&C’s Godfrey campus.

Illinois law prohibits landfill disposal of electronic devices, including televisions and computers.

“This is the fourth year of Illinois’ e-waste law that requires all electronic waste to be disposed of responsibly,” said L&C Director of Sustainability Nate Keener. “L&C

eWaste drives provide an easy, mostly free outlet for people to recycle their electronics. With CJD's help since 2012, we have prevented more than 70 tons of hazardous electronic waste from entering landfills."
