A SUMMER TO GROW TOGETHER

SUMMER CAMP 2015

Dear Parents,

Our kids grow up so fast. No matter how much we try to preserve their childhood, they are constantly bombarded by outside influences. Where can a parent turn to ensure their child is safe, secure, loved, nurtured, respected and influenced by some of the best young adults in the Edwardsville community? The EDWARDSVILLE YMCA SUMMER CAMP! Our program has a policy for its counselors: be childlike, not childish. Whatever activity your camper is playing, our counselors are right there with them, providing the support and encouragement they need to succeed. Our counselors provide a positive influence on your camper that only the Y can provide. Whether we are playing board games, swimming, roller skating, soccer, kick ball, field trips or any other activity, know that your camper is witnessing first hand caring, respect, responsibility and honesty throughout their day. The Edwardsville Y Summer Camp builds strong kids, strong families, and a strong community. A farmer provides his crops with rich soil so they grow strong. The YMCA of Edwardsville is the rich soil of our community and your campers are the seeds our counselor farmers tend to each day. Sign up for our Summer Camp program this summer and watch your children grow. LET'S GROW TOGETHER!

Sincerely,

**Chris Schomber
Summer Camp Director

PARENTS TRUST US

YMCA Day Camps provide a happy, healthy environment for children to learn & grow. Children have the opportunity to build self-confidence, independence & creativity. Parents have peace of mind knowing their children are in a safe & enriching place.

CAMP GROUPS

We know how important your child is to you, and they are also very important to us. Therefore we will be dividing each grade level into three groups with a counselor / camper ratio of 10 to 1. This gives us the ability to provide more individual attention to your camper(s).

STAFF

Friendly and familiar faces are prepared to welcome your children as we have many staff members returning this year from last summer, and we will be adding some new energy to the group with new counselors as well. Our lead counselors, and the majority of our summer camp counselors, have completed a minimum of one year of college with a required number of credit hours in child development and recreation.

2015 SUMMER DAY CAMPS

Held at the Meyer Center

SOMETHING FOR EVERYONE

There's something about summer camp memories that stick with us forever. The friendships we make, the skills we learn, and the confidence we build last long after the summer ends. The Edwardsville YMCA Summer Camps have provided thousands of children in our community with a camp experience they never forget. Our camps offer a variety of experiences for children of all ages and abilities, with each camp offering safe and supervised fun provided by a caring, responsible staff. Each child gains something different at camp: making new friends, learning how to swim, self-confidence, independence, and leadership—skills that last far beyond camp.

Whether it's your child's first camp experience through our traditional Summer Camp, one of our action-packed Summer Specialty Camps or Teen Adventure Camp, each of our camps provide an environment where campers are encouraged to grow, have fun, and make those memories that will last a lifetime.

Extra information will be available a day or two ahead of the field trip concerning departure times and changes in the daily schedule. A schedule can be found on page 8.

CAMP ATTIRE

Due to the high level of physical activity involved in camp every day, it is required that campers wear comfortable athletic shoes – **NO FLIP-FLOPS, SANDALS, OR CROCS PLEASE.** Socks are a daily requirement because of roller skating. We will provide roller skates for campers or they may bring their skates from home. All campers will have an opportunity to swim two days a week. They will need their own swimwear, towel and if necessary, sunscreen.

ARRIVAL & DISMISSAL TIMES

Camp opens at 6:15AM each day. Campers may arrive any time after 6:15AM. A parent or guardian must accompany the camper and sign them in. Camp closes at 6:00PM. Each camper may bring snacks and lunch from home, or they may sign up for that day's snacks and lunch when they are signing in. A daily menu will be posted with snacks costing \$0.75 each and lunch costing \$2.50. It is not possible to provide refrigeration or heating for food from home so please plan accordingly. A cold drink is available to all campers at no cost during lunchtime.

SODA & VENDING MACHINES

The vending machines at the YMCA have items for sale for non-camp customers. These machines cause difficulties during camp with campers buying items throughout the day and losing or spilling the items. Campers in K-5TH grade will be restricted from buying items from the vending machines. Teens will only have access to the vending machines at specified times during the day.

TEEN ADVENTURE CAMP

The YMCA of Edwardsville is very proud to offer the teen summer program again this year. Over the last several years, the Teen Adventure Camp has become very popular with both middle school students and their parents. This program is designed for those that have completed 6TH, 7TH, and 8TH grades and allows teens to take responsibility for themselves and to become confident, trustworthy members of our adult community.

The teens start out each day in their private recreational area with its lounge, foosball, air hockey tables and a large-screen TV. From there they will plan their day with their friends by choosing from a variety of activities such as skating, rock climbing, gymnastics, swimming, fitness center time and sports, just to name a few. They will also have opportunities to travel out into the community to perform service projects at many worthy institutions, not to mention other fun projects like the cardboard boat regatta!

The Teen Adventure Camp program typically takes field trips every Thursday to places such as The Edge, Raging Rivers and Six Flags.

Don't be bored at home this summer. Come join our teens for a busy and gratifying experience. Applications for the Teen Adventure Camp 2015 program are available at the Service Desk of both the Esic and Meyer Centers or online at www.edwardsvilleyymca.com. (The fee structure, payment policy and registration procedures are the same as the standard YMCA Camp.)

EARLY CHILDHOOD DEVELOPMENT CENTER

BUILDING STRONG BRIGHT FUTURES

Have you heard the great news? The YMCA of Edwardsville now offers full day child care services for children ages 6 weeks to 5 years old at our new Early Childhood Development Center! They just celebrated the one year anniversary!!

Our Mission:

The purpose of the YMCA Early Childhood Development Center is to facilitate a full day child care program that provides opportunities and experiences to stimulate a child's physical, social, intellectual and emotional development.

The program is licensed and follows a constructive philosophy with open-ended art activities, science, fine and gross motor skills and hands-on discovery in an enriching environment.

The YMCA understands the sensitive needs of your child. We offer developmental age appropriate activities that ensure your child gets the most out of our YMCA Early Childhood Development Center experience.

Our Promise:

The YMCA's focus is for youth development, healthy living and social responsibility. What better place to start than in those precious early years. We promise to be responsible and provide a loving, caring, honest and respectful environment for children to learn and grow in. Our staff will remain dedicated to maintaining high standards of care in order to facilitate the enrichment of each child. Each classroom and the curriculum taught in that room is designed to meet the needs of the children in that particular age group. We take pride in partnering with parents to help children reach their maximum potential.
