The family and friends of Mikey Klein and Mindy Britt-Shelton are hosting a Memorial Benefit. The benefit is to assist Mindy who has experienced incredible hardship since the unexpected death of Mikey on January 4<sup>th</sup>, due to complications of acute pancreatitis, just a month before his 37<sup>th</sup> birthday. Mindy and Mikey were looking forward to getting married, and he recently purchased their dream home after moving back home from California. Without Mikey, Mindy cannot afford to stay in the home, and it will be going to foreclosure. She has also had a lot of additional unexpected expenses because of problems with the house in the last few months: roof damage, the sump pump went out and caused extreme flooding in the basement. There was damage to the water heater and furnace as well as damage to the many of their personal items. Most of Mikey's assets are going towards his debts. Our main goal is to get Mindy back on her feet, into a home that is financially fit for her and her 7 year old son JW.

The Memorial Benefit is being given by [Laura Britt-Gray 618-604-3608](tel:618-604-3608), [Kelly Britt-Anderson 618-401-6027](tel:618-401-6027) and [Drew Podhorn 618-250-9961](tel:618-250-9961). If you would like to mail a donation (gift certificate or check, please mail it to Laura Gray - 16324 Lageman Lane Brighton, IL 62012). If you need a pick up on a donation please call one of the numbers above and we will pick up any donations. We appreciate everyone's support during this difficult time.
