Suzanne Riedel is an international speaker and practitioner and teacher of Christian Science healing, from Denver, CO. Immediately healed in an emergency in college, she found a closeness to God she'd been searching for that radically altered her view of spiritual possibilities. As a teacher for 20 years and a mother raising five children, she relied on Christian Science to heal everything from broken bones to financial problems, finding the practicality of understanding God's influence in her life. Ms. Riedel is a member of the Christian Science Board of Lectureship.
