"Coffee is the common man's gold, and like gold, it brings to every person the feeling of luxury and nobility."

In 2009, the dream of Bunkhouse Joe was brought to life by wood fire roasting pioneer, Steve Johnson and family. The roasting operation continues to take place on the local farmstead overlooking majestic Calhoun County, Illinois. "There are very few actual wood fire roasters, and we pride ourselves in being one of the best." ~ Come join us in hearing Steve's inspiring story of how "Bunkhouse Joe Coffee" came to be, learn about his unique wood fire roasting process, and enjoy a hot cup of Bunkhouse Joe while you're here!
