Drug Abuse...

It CAN happen to any family

Take an hour from your busy schedule, and join us for a discussion about drugs and their devastating impact on our community.

Why should your family attend?

- Hear how drug use has affected families
- Listen to the coroner talk about the increase in overdose deaths in Madison County
- Become familiar with warning signs of drug use
- Get information about local resources
- Hear what law enforcement has to say about drug use and its effect on our community
- Discover more about drugs and our legal system
