

The Macoupin County Historical Society
Invites You to their 4th Annual Christmas
Show and Handmade Christmas Store

FLORA & FAUNA

Stop by the mansion for a tour and walk through the many beautiful displays.

The **Christmas Store** will have numerous hand-crafted items and homemade baked goods for sale by members of the Macoupin County Historical Society that will help make your holidays just a bit more joyous.

Food will be served daily in the **Red Barn**, featuring beef stew, cranberry salad, hot wassail and homemade pies.

There is a small charge for mansion tours (\$3/adults and \$1/children) to help us keep the lights on, but there is no admission charge for the Christmas Store.

The museum is on the National Registry of Historic Sites and will be beautifully decorated for Christmas.

The Macoupin County Historical Society Genealogy Library is open Wednesdays 10-2 or by appointment
