

**AYS to Host Young Musicians from Denmark  
Please Consider Being a Host Family**

The objective of this program is to provide an exciting, educational, rewarding and enjoyable experience for young musicians from Europe, host families, and the community at large.

AYS will provide a performance opportunity for the group, free to the public (free will offerings only).

Host families will provide accommodations (housing, meals, and transportation) for two nights and one day at no cost to the visitors.

Our community will showcase the Riverbend area to youngsters from Europe.

For more info follow the links on AYS home page:
